ECONOMIC DEVELOPMENT * "REVITALIZE 209"

Let's improve Route 209 / Milford Road Together!

Middle Smithfield Township's Revitalize 209 Committee is receiving letters of interest for eligible projects to fund along Route 209.

What if you had up to \$10,000 to improve your property?

Does your business qualify?

Here are some frequently asked questions (FAQ) to find out:

What projects can be applied for?

- Projects must be a visible improvement from Route 209, including but not limited to remodeling building facades, improvements to curb appeal, and safety.

Who should submit letters of interest / applications?

- Applications must be from the property owner or have written permission from the property owner as an accompaniment.

How much can I get?

- This is a matched grant. A project size must not exceed \$20,000, with the Township and applicant each matching \$10,000. There is no minimum.
- Consultant fees / soft goods do not qualify for reimbursement.

When can projects begin?

- Projects can commence once approval from the Board of Supervisors is received.
- Only projects started after grant approval will qualify for reimbursement.

When is funding / reimbursement available?

- Reimbursement for projects will be received once an inspection of the completed work is done by the Township and deemed satisfactory.

Sound like a fit for your business?

Find out by submitting your letter of interest to the Revitalize 209 Committee and let's get started on "Revitalizing 209"!
