### Township of Middle Smithfield

#### Table of Use Regulations Within Zoning Districts [Amended 3-27-2012 by Ord. No. 183; 9-4-2012 by Ord. No. 188; 12-30-2013 by Ord. No. 198; 3-10-2016 by Ord. No. 206; 5-23-2019 by Ord. No. 226; 11-14-2019 by Ord. No. 228]

Unless specifically stated otherwise in this chapter, any land or structure shall only be used or occupied for a use specifically listed in the following table as allowed in the zoning district where the land or structure is located. Such uses shall only be allowed if the use complies with all other requirements of this chapter. In the following table, "P" shall mean the use is permitted by right in that zoning district, "C" shall mean the use is a conditional use in that zoning district, "SE" shall mean the use is a special exception use in that district, and "N" shall mean the use is not permitted in that zoning district.

## NOTES:

<sup>1</sup> Any newly placed mobile/manufactured home shall meet the 1974 or later manufactured housing specifications of the United States Department of Housing and Urban Development.

<sup>2</sup> However, as a permitted-by-right use, an antenna may be attached to an existing communications tower, the steeple of a place of worship, an electric transmission tower, an agricultural silo or a community water storage tank, provided that such antenna does not extend more than 15 feet above such structure. In addition, a tower and/or antennas may be placed by right at a fire, police or emergency medical station or a Township Building, as needed to serve emergency communications.
