In regard to the omission of the Middle Smithfield Risk Assessment from the County Plan, Lynda contacted the consultant and they are going to do an immediate amendment to the plan to add our assessment. (they are in the process of sending Lynda the paperwork). I would advise that we adopt the plan. Not having the survey in the plan would have no affect on us getting any future grants from FEMA, not adopting the plan would.

Once adopted would you please send a copy to Lynda cc me so that she may forward to FEMA.

Thank you
