Good Evening,

The Parks had their 1st meeting of 2013, Feb. 4th with 16 people in attendance. Bill Suriano gave a small presentation on, the works of the committee, the committee advises, the board recommends and the supervisors act.

In old business we are working on Echo Lake Park, we want to put up the playground and pavilion. We have most of the equipment for the playground and some of the building material for the pavilion.

Resica Park, Mr. Dwyer reported to the Park there was a logging incident, would you like to add anything further.

Judy Putek Park, the Park board recommended a temporary closing from Feb. 13th until April 1st for sanitary reasons and safety for dogs and owners.

We have a resident survey to distribute for the community for suggestions on what people want at a park or don't want.

If there are any questions I will be here to answer them.

Thank you,

Joyce Fenical

Parks and Recreation Chairman
