AN AGREEMENT GOVERNS THE USE BY _____ (AND ITS TEAMS AND MEMBERS) OF THE FOLLOWING DESIGNATED AREAS (THE “DESIGNATED AREAS”) IN MIDDLE SMITHFIELD TOWNSHIP PARKS.

PARK NAME	AREA(S)	USE DATES
-----------	---------	-----------

The Middle Smithfield Township Park and Recreation Board, (hereafter referred to as the “Board”), and _____ (hereafter referred to as the “**Organization**”), agree to the following terms and conditions regarding the Organization’s use of the Designated Areas:

1. The Designated Areas are public park land and the **Organization**, in its use of these parks, will treat these public park areas with due care for the facilities, equipment, turf, parking areas, signs, fences and any other items owned by Middle Smithfield Township (the “Township”) at each of these parks.
2. As public parks, these areas must be available to Township residents at any time on a first come, first reserved/first served basis. A parks reservation form must be filled out for anyone wanting to use any park. Residents may at any time use other areas of the parks not reserved by any **Organization**.
3. The **Organization** shall have **priority, but not exclusive use** of the Designated Areas named above for the dates indicated. The Board may, at any time, however, require the use of any Designated Area for a program, event, or other use, sponsored or endorsed by the Board to be conducted during the approved period of priority use granted under this agreement. Such use of the Board shall take priority over any use authorized under this Agreement.
4. The **Organization** agrees to indemnify and hold harmless the Township, and its officials, employees and agents (collectively, the “Township”), from any and all claims, injuries, damages, suits, actions, losses, expenses, including but not limited to attorney fees, witness fees and litigation expenses, arising out of or resulting from the **Organization’s** use of the Designated Areas, and the activities permitted in connection therewith.
5. The **Organization** agrees to maintain general liability insurance in an amount satisfactory to the Board, and to provide proof of such insurance to the Board prior to the use of the Designated Areas. The Township shall be named as an additional insured on all such insurance policies.
6. The **Organization** shall be responsible for all daily field maintenance requirements during the period of priority use, other than the mowing of grass and other turf maintenance items, to enable the Designated Areas be adequately and safely available for use by **Organization** for its activities. The Township of Middle Smithfield employees or designee will be responsible for grass mowing of the parks and turf maintenance.
7. Any construction, placing of permanent fixtures, movable sheds or similar structures, cutting of trees or shrubbery, embedding of equipment or anchors in the ground, alterations to parking areas, and other changes planned in connection with the use of the Designated Areas must be submitted by written request to the Board and approved by the Board after consultation with the Township Roadmaster or Township Public Works Director.
8. No existing structures, fixed equipment, fences, and other items considered as Township controlled property shall be moved or altered without approval by the Board.
9. The Board will be responsible for the placement and servicing of portable toilet facilities and trash receptacles in quantities it determines reasonable and provide for their periodic maintenance. The

Organization must arrange and pay for the cost for additional sanitary and trash services for events whose attendance or length is reasonably expected to exceed the sanitary or trash capabilities provided by the Board. At no time shall trash or other debris be allowed to accumulate or be stored beyond the capacity of the trash containers. All Designated Areas, including sports field, pavilion and parking areas, used by the **Organization** shall be kept clean of trash and debris.

- 10. The **Organization** shall not conduct or sponsor any event at a Designated Area whose attendance, duration or other character would reasonably expect to exceed the parking capacity at a Designated Area or otherwise create a situation that threatens the safety, health or well-being of the participants, park neighbors or the general public.
- 11. The **Organization** shall make all participants in its activities at the parks aware of the park rules as attached to this agreement and shall see that those rules are observed by its participants.
- 12. A schedule showing dates and times of activities to be conducted at the Designated Areas under this Agreement shall regularly be provided to the Board and the Parks and Recreation Chairperson and the Park Lead Coordinator at the start of every sport season. The Chairperson of Parks and Recreation will regularly ensure that the schedules are posted in the kiosks of the appropriate Park.
- 13. Failure to comply with the terms of this Agreement may, at this discretion of the Board, result in the termination by the Board of this Agreement and the prohibition of the **Organization** from enjoying priority use of the park areas.
- 14. This Agreement shall be for a period specified as January through December of the calendar year completed. New Agreements must be completed every year.
- 15. Middle Smithfield Park land and public areas shall not be used for the financial profit of any person or organization without prior approval from the Middle Smithfield Parks and Recreation Board and/or the Middle Smithfield Township Board of Supervisors.
- 16. The **Organization** shall pay the fees set forth by the Board for use of the Designated Areas. Changes to the fee structure may be made at any time and are at the discretion of the Board.
- 17. This Agreement is a license and does not constitute a lease. The Agreement may be terminated for convenience, at any time, and without advance notice to the **Organization**, in the event the Board of Supervisors, in its sole discretion, shall not find that termination is in the best interest of the Township.

I/We certify that I/we have read, understand and agree to adhere to the Middle Smithfield Township Parks Rules and Regulations concerning park use and cleanup. Further, I/We/My organization forever releases the Township, its Supervisors, agents, employees and servants from all claims, actions, and charges whatsoever arising out of the event(s) conducted on the above mentioned date(s) for which this application is submitted and approved.
