The PMPEI Course in Zoning Administration is a 3-session in-depth course for zoning hearing board members, zoning administrators, planning commissioners, and elected officials in the principles and practices for administering municipal zoning ordinances. The course covers the technical aspects of the various zoning applications and appeals, such as variances, special exceptions and nonconforming uses, and the requirements for zoning hearings. Issues of fairness, compliance, and ordinance enforcement are included. The techniques and procedures for conducting fair and effective zoning hearings are practiced in a "mock zoning hearing."
